

Press Release

ecosur, new member of the Italian Power Exchange (IPEX)

Paris, Monday, 09th of April 2007

ecosur, new trading member of the Italian Power Exchange (IPEX)

ecosur is pleased to announce the clearance granted by the Italian Power Exchange to join the market place as a trading member for CO2 Allowances spot trading. This membership will enhance the arbitration opportunities for **ecosur's** brokerage clients to settle EUAs transactions.

The greenhouse gas market is hosted by the Italian Power Exchange (IPEX) - Mercato Elettrico (GME). IPEX platform is the leading Italian Spot market for CO2 Allowances.

ecosur operates in carbon markets worldwide. The company provides advisory and brokerage services for all market segments (CDM, JI, voluntary) and all carbon related products (CERs / ERUs / VERs / EUAs). To date, **ecosur** settled 214 M. EUR of carbon related transactions and contracted 31 CDM and VER projects. All services provided are based on in-house expertise.
